

The New Colossus  
Emma Lazarus

Define the following words:

- brazen
- exiles
- pomp
- wretched
- refuse (noun)
- teeming
- tempest-tost

Looking at punctuation (specifically at the ends of lines) and the content of the lines, split the poem into three sections. Each section will end with either a semicolon (;) or a period (.), and each section will have a slightly different focus in topic. Write the line numbers of each section.

Section 1: lines 1- ?

Section 2: lines ? - ?

Section 3: lines ? - 14

Look at section 1. What is it talking about? What is being described and how is it being described?

Look at section 2. What is it talking about? What is being described and how is it being described?

Look at section 3. Who is talking and what are they saying? Paraphrase what is being said.
